

2017 Light of Learning Recipients

Mr. Steve Hoffman & Mrs. Maureen Terry

Please join the students and staff of Christ the King to celebrate Catholic Schools Week and recognize our Light of Learning recipients Mr. Steve Hoffman and Mrs. Maureen Terry!

What is the Light of Learning Award?

This award is given to the diocesan teacher/administrator who is an example of Christ and lives according to what the Church teaches.

The educator is a student motivator and involved in extra-curricular activities at the school, as well as knowledgeable in their subject matter and relating the material to the students well.

In addition, this person is respected by students and parents, and is considered an asset to the school community.

Every year, our diocese encourages parents to nominate a deserving teacher/administrator in each school and recognizes this individual during Catholic Schools Week. We are blessed to have two such deserving staff members being recognized.

Who?

CTK Staff, Students, Parishioners and Families
