Dear Christ the King Parents:

Please see the tuition rates for the 2023-24 school year below. The active parishioner rate represents the lowest tuition we are allowed to charge under the diocesan policy that was instituted last year.

**Christ the King remains committed to working with each family to ensure that finances never prevent a child from receiving a Catholic education.** With that in mind, here is the information you need to know in order to prepare for the 2023-24 school year.
